LOVE IS MOSTLY HIS DECISION! END

LOVE IS MOSTLY HIS DECISION

This is just a draft I wrote in the old days, and now that it's completed, all the drawings seem different from the rest of the book. That's how... I feel? Or not? It's still okay though I guess. I want to draw a story about pretty school boys who don't fight" is what I thought when I made up the characters, but the plan became a bit psychological... The beautiful boys were a little far off from my original idea, and turned out to just be idiots. Anyway... we will always be... boys... am I right?
